When you buy an Agricultural or Bay plate, your contribution is invested in local communities across the state, supporting education and restoration projects that preserve Maryland's rich natural heritage.

MARYLAND'S BACKGROUND SCENE PLATES PROVIDE FUNDING FOR:

- 1 Educational programs that teach students throughout the State the importance of a healthy Bay and preserving farmland.
- 2 Grants that support local communities in every county in Maryland.
- 3 On-the-ground projects that restore and protect the natural environment and demonstrate the importance of agriculture.
